[2014-15 Budget Policy]

See following pages.

TOWN OF FOUNTAIN HILLS  
2014-15 BUDGET IMPLEMENTATION POLICY

1. Definitions. The following definitions shall apply for purposes of this policy.
  - A. “Budget Unit” is a Town department as designated on the Town’s organizational chart, including the Town Court.
  - B. “Capital Expenditures” are those capital expenditures exceeding \$30,000 which require the approval of the Town Manager and Town Council.
  - C. “Contingency” appropriation used for unforeseen emergency and critical needs when current budget appropriation is inadequate.
  - D. “Fund” is a fiscal and accounting mechanism with a self-balancing set of accounts recording cash and financial resources.

2. Transfer of Funds.

A. Transfers within a Fund. After adoption of the fiscal budget by the Town Council, any Budget Unit has the authority to reprogram funds within its department’s line items. These departments of the budget will be controlled by bottom line total only. Transfers between General Fund divisions and line items are allowed with the approval of the Department Director and Town Manager. A report of each transfer will approved by the Department Director and submitted to the Finance Division through the financial accounting system for processing; final approval shall be vested with the Town Manager, whose decision shall be final and conclusive.

B. Transfers between Funds. After adoption of the fiscal budget by the Town Council, any budgetary transfer between Funds will require approval or ratification of each transfer by the Town Council. Prior to any transfer, the Department must provide sufficient documentation to the Town Manager and the Town Council that funding exists.

C. Reprogramming of Wages. No funds may be reprogrammed to or from the “wages” section of the Budget Unit’s adopted budget without consultation with and approval by the Town Manager. The requesting Department Director must submit a memorandum and any necessary supporting documentation to the Town Manager; the Town Manager will notify the Finance Division of approved transfers of funds from the “wages” section of the budget.

D. Reprogramming of Capital Funds. No funds may be reprogrammed to or from the “capital expenditures” section of the Budget Unit’s adopted budget without consultation with and approval by the Town Manager and ratification by the Town Council. The requesting Department Director must submit a memorandum and any necessary supporting documentation to the Town Manager. If approved by the Town Council, the Town Manager will notify the Finance Division of the reprogrammed funds.

E. Carryover Appropriations. The Finance Division may approve appropriation transfers for carried over operating/capital items (i.e., IT infrastructure, equipment, vehicles and facility improvements) if the Town Council previously appropriated the operating/capital item in a prior fiscal year. All carryover appropriation transfers must be submitted to the Town Council for ratification; all carryover appropriation transfers shall be reflected in the appropriate budget reports.

3. Expenditure Restrictions.

A. Budget Hold for Prior Exceedence. Any General Fund Budget Unit that exceeded its budget in the prior fiscal year may be subject to immediate budget hold status in the current fiscal year. However, if a Budget Unit exceeded its budget in the prior fiscal year due to a one-time emergency purchase, and proof of such an emergency (in a form acceptable to the Town Manager) can be shown, the budget hold status will be removed.

B. Expenditure Limitations. The following expenditure limitations shall be imposed upon each Budget Unit in the General Fund by the Town Council:

(1) Not more than eighty (80%) percent of the total division line items combined of a Budget Unit's adopted budget may be expended before December 31 of each fiscal year.

(2) Not more than eighty-five (85%) percent of the total division line items combined of a Budget Unit's adopted budget may be expended before March 31 of each fiscal year.

(3) Not more than ninety (90%) percent of the division line items combined of a Budget Unit's adopted budget may be expended before April 30 of each fiscal year.

(4) Not more than ninety-five (95%) percent of the division line items combined of a Budget Unit's adopted budget may be expended before May 31 of each fiscal year.

(5) No Budget Unit's combined line items may exceed ninety-eight (98%) percent of its adopted budget during the month of June of each fiscal year, without first (a) contacting the Finance Division and (b) receiving approval from the Town Manager.

(6) The expenditure limitations are intended as management indicators and are not intended to automatically trigger Subsection (C) below. The Town Manager will direct the implementation of Subsection (C).

C. Remedies for Budget Exceedence. Once a Budget Unit has exceeded any of the expenditure limitations set forth in subsections (B)(1)-(6) above, the Finance Division shall notify the Budget Unit, in writing, that the appropriate expenditure limit has been exceeded. The Budget Unit must then consult and reach an agreement with the Finance Division and the

Town Manager regarding the remedies available to either restore spending to a level approved in the budget for the balance of the fiscal year or to request additional funds as set forth in Subsection 3(D) below.

D. Requests for Additional Funds. When additional funds from other sources are requested, the Finance Division and Town Manager must concur before the Budget Unit may expend the additional funds. If the expenditure of additional funds will require a fund transfer, the recommendation shall be forwarded to the Town Council for approval. Any Budget Unit that has exceeded the limitations set forth in Subsection 3(B) of this policy shall submit an expenditure reduction program to the Town Manager through the Finance Division as part of any request for additional expenditures. The expenditure reduction program shall include, but not be limited to, consideration of reductions in force of budgeted and authorized positions, termination of all travel expenditures, suspension or termination of contracts and such other expenditure reductions as the Budget Unit deems appropriate.

E. Violation of Limits. If a Budget Unit is in violation of the expenditure limits set forth in Subsection 3(B) above, and the Town Manager and Town Council do not approve additional funds as set forth in Subsection 3(D) above, the Finance Division is authorized and directed to enforce this policy in the following manner:

(1) The Finance Division shall not process requisitions for purchases or payments from any Budget Unit that has the expenditure limitations, except for: (a) re-occurring expenses that are billed to the Town on a regular and continuous basis pursuant to an agreement or contract between the Town and the vendor; or (b) expenditures that have been authorized by the Town Manager and/or the Town Council.

(2) Procurement card use may be limited or suspended.

4. Fund Balance. All budget considerations, including expenditure of appropriated funds, shall adhere to the Town of Fountain Hills Financial Policies, Amended and Restated June 7, 2012, or the most recent version of later-adopted editions of such financial policies.

5. Fiscal Priorities. The 2014-15 budget is intended to implement the Town Council's top fiscal priorities of public safety, pavement management, core services, Operational Priorities and Strategic Planning Goals.

6. Positions.

A. General Provisions.

(1) Section 3-1-1 of the Town Code states that the Town Manager shall be the administrative officer of the Town government and may appoint and, when necessary, suspend or remove all employees of the Town, except those officers appointed by the Town Council. All appointments and removals shall be based upon merit and upon the qualifications and disqualifications of such employee without regard to any political belief or affiliation; prior to any creation, combination, consolidation or deletion of any positions of

employment, written job descriptions or amendments thereto shall have been approved by the Town Council.

(2) All requests for new positions or reclassification of existing positions, regardless of the funding source, must be approved by the Town Council. Reclassification of existing positions (filled and vacant) should include justification of why budget savings, including savings from deleted positions, should be used to create new positions and how the position will align/impact Town strategic priorities and departmental goals. Departments must submit their requests to Human Resources; Human Resources will review job description and salary information prior to forwarding information to the Town Manager. The Town Manager will review and recommend/deny the position for approval by the Town Council.

(3) Intergovernmental agreements, grants, etc. that require/authorize additional positions must be approved by the Town Council. The position and the budgetary impact must be fully disclosed to Human Resources and the Finance Division, which shall be responsible for analyzing the input and presenting such analysis to the Town Council in conjunction with any request for approval as part of an intergovernmental agreement, grant, or other agreement.

(4) All authorized positions must be fully-funded by the general fund, a special revenue fund, or a grant. If a position becomes unfunded or under-funded by its original funding source, it must be fully funded immediately from other sources or eliminated. An under-funded position is a position for which a department/funding source has only 1% to 99% of the funding required to support it on an annualized basis. If eliminating unfunded or under-funded positions results in a Reduction in Force, the Human Resources Administrator shall prepare a layoff plan for approval by the Town Manager.

B. Fiscal Year 2014-15 Authorized Positions. There are revisions to the positions as follows:

Reclassifications:

- Human Resources Administrator to Administrative Services Director
- I/T Coordinator to I/T Administrator
- Event Coordinator to Events & Operations Supervisor

Title Changes:

- Receptionist to Customer Service Representative I
- Customer Service Representative I to Customer Service Representative II
- Recreation Assistant to Park Attendant

Change in FTE Status:

- Administrative Services Director - .75 to 1.00
- Customer Service Representative II - .95 to 1.00
- Tourism Assistant (new position) - .50
- Volunteer Coordinator - .88 to 1.00

All other positions existing at the end of FY 2013-14 are carried over. The schedule of Authorized Positions, Pay Plan, Town organizational charts and updated job descriptions are attached as Exhibit B to the Town Council Resolution which adopts this Policy (Resolution 2014-21).

6. Hiring Freeze. There is no hiring freeze in effect for FY 2014-15, and positions that become vacant may be filled if the Town Manager determines that it is in the best interests of the Town to do so.

7. Cost of Living and Merit Increase. All Fountain Hills employees, except the Town Manager and those positions at the top of their classification pay range, regardless of funding source, will receive a cost of living increase effective July 1, 2014 in an amount of 1.0%. On each employee's anniversary date, she/he will be eligible to receive a 1.5% merit increase, based upon performance. Compensation for the Town Council, Town Manager and Town Presiding Judge shall be as set forth in the Town Code (for the Town Council) or their respective employment agreements (for the Town Manager and Town Presiding Judge).

8. Contingency Appropriation. The purpose of a Contingency appropriation is to maintain a reserve of expenditure authority from which specific amounts can be transferred to other appropriated budgets after adoption of the annual budget to cover emergency or critical items if there are sufficient revenues to do so. Contingency appropriations will be established within the Town Manager budget for general purposes or reserved for specific issues. All requests for General Fund Contingency must be submitted to the Town Manager for review. If the Contingency expenditure exceeds the Town Manager's purchasing authority the Town Council must approve or ratify all transfers from Contingency appropriations.

9. Tax Levy. The Town's secondary property tax levy is exclusively for the annual debt service payment on General Obligation bonds issued and approved by the voters; the annual levy is based on the annual debt payment divided by the entire community's secondary assessed valuation divided by 1,000. An allowance for delinquency factor is included in the calculation (usually 2%). The Town does not have a primary property tax.

10. Budget Adoption. This budget is being adopted by the Town Council at a fund level. Each fund is a fiscal and accounting mechanism with a self-balancing set of accounts recording cash and other financial resources. The department level budget detail that is contained within the financial system is designed and used wholly as a management tool for the individual departments. A sub-fund may also be created to track a specific project or goal and is used as a tool for management purposes. A sub-fund would be an extension of major fund such as a project fund.

11. Vehicles/Equipment and Infrastructure Projects. The Town Council will approve specific positions, vehicles, equipment and facility infrastructure projects as part of the FY 2014-15 budget. Additional funding requested during the fiscal year must be submitted to the Town Council for approval or ratification.

A. Mid-year Requests. All mid-year General Fund vehicle and equipment requests that exceed \$5,000 and capital items (account series 8010) must be approved by the

Finance Director. Approval is required when using existing resources or requesting additional resources. Requests shall be made in writing to the Finance Director, who shall grant or deny the request. If denied, a request for reconsideration may be presented to the Town Manager, whose decision is final.

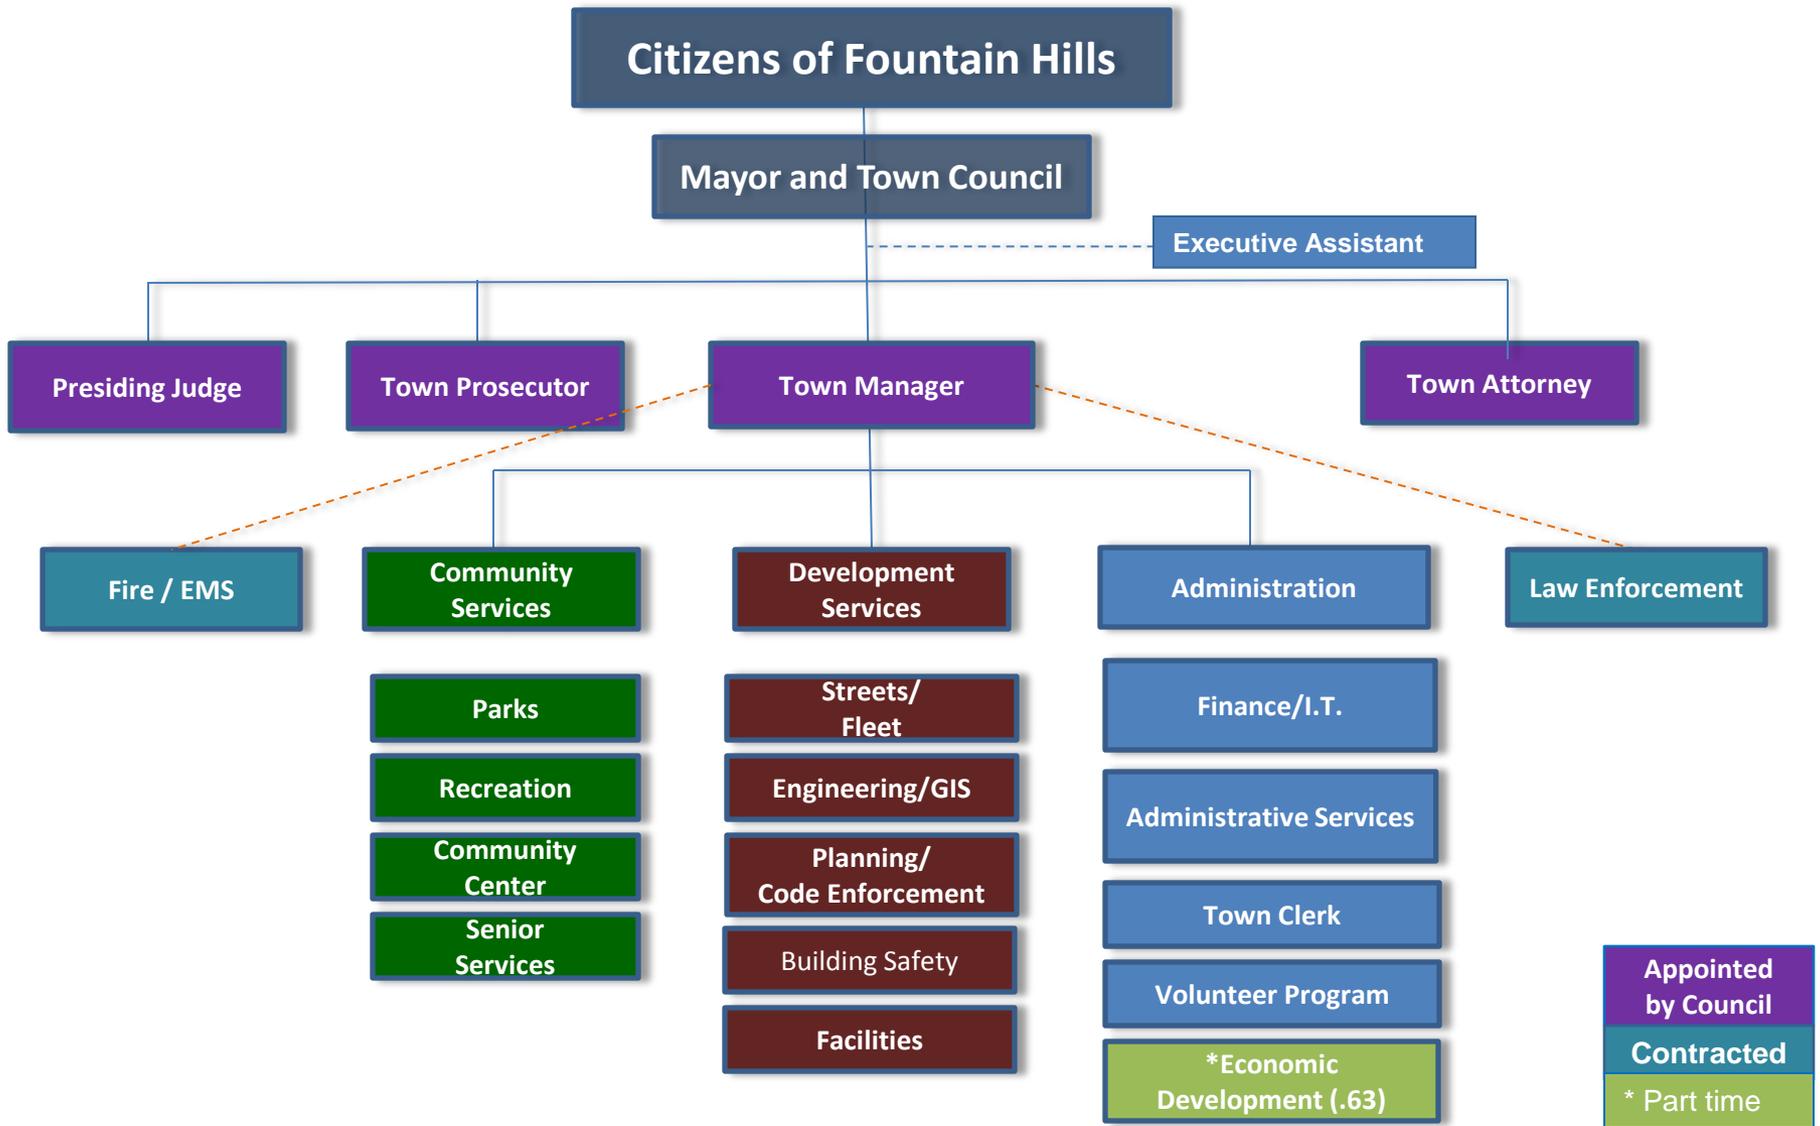

B. Infrastructure Requests over \$50,000. All infrastructure project requests that exceed \$50,000 regardless of the funding source must be submitted to the Finance Division for review prior to forwarding information to the Town Manager. The Town Manager will recommend the project for approval by the Town Council.

**TOWN OF FOUNTAIN HILLS  
OFFICE OF HUMAN RESOURCES  
INTER OFFICE MEMO**

<b>TO: Ken Buchanan, Town Manager</b>	<b>DT: May 19, 2014</b>
<b>FR: Joan McIntosh Human Resources Administrator</b>	<b>RE: Proposed FY 2014-15 Pay Plan</b>

Copies of the Exempt/Non-Exempt Classifications, Employee Classifications, and Wage and Salary Administration policies that are in our current Personnel Policies and Procedures are attached for your review. These policies were adopted by the Council on May 16, 2013. An updated Pay Plan has not been presented to Council for approval since FY 2008-09.

Attached is a draft proposal of the Fiscal Year 2014-15 Town of Fountain Hills Pay Plan. The “minimum” and “maximum” columns are the new proposed ranges for each title. The “previous range” column indicates the current approved ranges for each title. If the research resulted in a lower pay range than what is currently approved for any position, the current pay range was left unchanged.

In addition to the 2014 Salary & Benefit Survey from the League of Arizona Cities and Towns, surveys from other cities and towns in which the Town participates, data from municipal websites and contact with Human Resources departments similar in size to Fountain Hills was utilized to design this Pay Plan.

With the proposed Pay Plan there are five staff members that are currently below the new minimum for their pay range. All five are Recreation Assistants. Increasing the hourly wages of these five staff members to the new minimum will result in a total increase of \$6,808 annually.

If the Council approves the recommended 2.5% merit increase for FY 2014-15, the expense to the Town for the merit increase will be \$58,658. Therefore, the total annual cost for the merit increase and bringing the five staff members up to the new minimum for their position is \$65,466.

The following positions will not be eligible for the full 2.5% merit increase, if approved, in FY 2014-15. The third column indicates the maximum percentage they will be eligible to receive before reaching the maximum salary for their position.

<b>Name</b>	<b>Current Salary</b>	<b>Maximum pay increase</b>
Community Services Director	\$102,785	1.72%
Senior Planner	\$78,872	2.43%
Exec. Asst. to Town Manager/Mayor/Council	\$67,723	0
Senior Court Clerk	\$47,299	0

The departure of staff members due to retirement and/or relocation presented the opportunity to review the delegated duties and responsibilities in both Administration and Community Services. As a result, staff is recommending the following **reclassifications** due to significant job description changes:

<b>Current Title:</b>	<b>New Title:</b>
Human Resources Administrator	Administrative Services Director
I/T Coordinator	I/T Administrator
Event Coordinator	Events & Operations Supervisor

The following **title changes** are being proposed to more accurately compare our positions with those of valley towns and cities:

<b>Current Title:</b>	<b>New Title:</b>
Receptionist	Customer Service Representative I
Customer Service Representative	Customer Service Representative II
Recreation Assistant	Park Attendant

The following **changes in FTE status** are being proposed:

<b>Title</b>	<b>Current FTE Status</b>	<b>New FTE Status</b>
Administrative Services Director	.75	1.00
Customer Service Rep II	.95	1.00
Tourism Assistant	(New position)	.50
Volunteer Coordinator	.88	1.00

If you have any questions, please let me know.

Thank you.
