The Initial Term and any Renewal Terms are collectively referred to herein as the "Term." Upon renewal, the terms and conditions of this Contract shall remain in full force and effect.

Contractor, its employees and Subcontractors are not entitled to workers' compensation benefits from the Town. The Town does not have the authority to supervise or control the actual work of Contractor, its employees or Subcontractors. E. Severability. The provisions of this Contract are severable to the extent that any provision or application held to be invalid by a Court of competent jurisdiction shall not affect any other provision or application of the Contract which may remain in effect without the invalid provision or application.

F. Relationship of the Parties. It is clearly understood that each party will act in its individual capacity and not as an agent, employee, partner, joint venturer, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other for any purpose whatsoever. The Contractor is advised that taxes or Social Security payments will not be withheld from any Town payments issued hereunder and Contractor agrees to be fully and solely responsible for the payment of such taxes or any other tax applicable to this Contract.

G. Entire Agreement; Interpretation; Parol Evidence. This Contract represents the entire agreement of the parties with respect to its subject matter, and all previous agreements, whether oral or written, entered into prior to this Contract are hereby revoked and superseded by this Contract. No representations, warranties, inducements or oral agreements have been made by any of the parties except as expressly set forth herein, or in any other contemporaneous written agreement executed for the purposes of carrying out the provisions of this Contract. This Contract shall be construed and interpreted according to its plain meaning, and no presumption shall be deemed to apply in favor of, or against the party drafting the Contract. The parties acknowledge and agree that each has had the opportunity to seek and utilize legal counsel in the drafting of, review of, and entry into this Contract.

H. Assignment. No right or interest in this Contract shall be assigned by Contractor without prior, written permission of the Town signed by the Town Manager and no delegation of any duty of Contractor shall be made without prior, written permission of the Town signed by the Town Manager. Any attempted assignment or delegation by Contractor in violation of this provision shall be a breach of this Contract by Contractor.

I. Subcontracts. No subcontract shall be entered into by the Contractor with any other party to furnish any of the material or services specified herein without the prior written approval of the Town. The Contractor is responsible for performance under this Contract whether or not Subcontractors are used.

J. Rights and Remedies. No provision in this Contract shall be construed, expressly or by implication, as waiver by the Town of any existing or future right and/or remedy available by law in the event of any claim of default or breach of this Contract. The failure of the Town to insist upon the strict performance of any term or condition of this Contract or to exercise or delay the exercise of any right or remedy provided in this Contract, or by law, or the Town's acceptance of and payment for services, shall not release the Contractor from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of the Town to insist upon the strict performance of this Contract.

K. Attorneys' Fees. In the event either party brings any action for any relief, declaratory or otherwise, arising out of this Contract or on account of any breach or default hereof, the prevailing party shall be entitled to receive from the other party reasonable attorneys' fees and reasonable costs and expenses, determined by the court sitting without a jury, which shall be deemed to have accrued on the commencement of such action and shall be enforced whether or not such action is prosecuted through judgment.

O. Confidentiality of Records. The Contractor shall establish and maintain procedures and controls that are acceptable to the Town for the purpose of ensuring that information contained in its records or obtained from the Town or from others in carrying out its obligations under this Contract shall not be used or disclosed by it, its agents, officers, or employees, except as required to perform Contractor's duties under this Contract. Persons requesting such information should be referred to the Town. Contractor also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Contractor as needed for the performance of duties under this Contract.

P. Records and Audit Rights. Contractor's and its Subcontractor's books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of any Contractor and its Subcontractors' employees who perform any work or services pursuant to this Contract to ensure that the Contractor and its Subcontractors are complying with the warranty under subsection 3.14(Q) below (all of the foregoing hereinafter referred to as "Records"), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the Town, to the extent necessary to adequately permit (1) evaluation and verification of any invoices, payments or claims based on Contractor's and its Subcontractors' actual costs (including direct and indirect costs and overhead allocations) incurred, or units expended directly in the performance of work under this Contract and (2) evaluation of the Contractor's and its Subcontractors' compliance with the Arizona employer sanctions laws referenced in subsection 3.14(Q) below. To the extent necessary for the Town to audit Records as set forth in this subsection, Contractor and its Subcontractors hereby waive any rights to keep such Records confidential. For the purpose of evaluating or verifying such actual or claimed costs or units expended, the Town shall have access to said Records, even if located at its Subcontractors' facilities, from the effective date of this Contract for the duration of the work and until three years after the date of final payment by the Town to Contractor pursuant to this Contract. Contractor and its Subcontractors shall provide the Town with adequate and appropriate workspace so that the Town can conduct audits in compliance with the provisions of this subsection. The Town shall give Contractor or its Subcontractors reasonable advance notice of intended audits. Contractor shall require its Subcontractors to comply with the provisions of this subsection by insertion of the requirements hereof in any subcontract pursuant to this Contract.

Q. E-verify Requirements. To the extent applicable under ARIZ. REV. STAT. § 41-4401, the Contractor and its Subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-verify requirements under ARIZ. REV. STAT. § 23-214(A). Contractor's or its Subcontractor's failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by the Town.

R. Scrutinized Business Operations. Pursuant to ARIZ. REV. STAT. §§ 35-391.06 and 35-393.06, the Contractor certifies that it does not have scrutinized business operations in Sudan or Iran. For the purpose of this subsection the term “scrutinized business operations” shall have the meanings set forth in ARIZ. REV. STAT. § 35-391 or 35-393, as applicable. If the Town determines that the Contractor submitted a false certification, the Town may impose remedies as provided by law including terminating this Contract pursuant to subsection 3.13(B) above.

S. Conflicting Terms. In the event of any inconsistency, conflict or ambiguity among the terms of this Contract, the IFB, Scope of Work, the Price Sheet and the Contractor’s Bid, the documents shall govern in the order listed herein.

T. Non-Exclusive Contract. This Contract is entered into with the understanding and agreement that it is for the sole convenience of the Town. The Town reserves the right to obtain like goods and services from another source when necessary.

U. Cooperative Purchasing. Specific eligible political subdivisions and nonprofit educational or public health institutions (“Eligible Procurement Unit(s)”) are permitted to utilize procurement agreements developed by the Town, at their discretion and with the agreement of the awarded Contractor. Contractor may, at its sole discretion, accept orders from Eligible Procurement Unit(s) for the purchase of the Services at the prices and under the terms and conditions of this Contract, in such quantities and configurations as may be agreed upon between the parties. All cooperative procurements under this Contract shall be transacted solely between the requesting Eligible Procurement Unit and Contractor. Payment for such purchases will be the sole responsibility of the Eligible Procurement Unit. The exercise of any rights, responsibilities or remedies by the Eligible Procurement Unit shall be the exclusive obligation of such unit.
