

**COOPERATIVE PURCHASING AGREEMENT  
BETWEEN  
THE TOWN OF FOUNTAIN HILLS  
AND  
M. R. TANNER DEVELOPMENT AND CONSTRUCTION, INC.**

THIS COOPERATIVE PURCHASING AGREEMENT (this "Agreement") is entered into as of September 3, 2015, between the Town of Fountain Hills, an Arizona municipal corporation (the "Town"), and M. R. Tanner Development and Construction, Inc., an Arizona corporation (the "Contractor").

RECITALS

A. After a competitive procurement process, the City of Chandler ("Chandler") entered into Contract No. ST5-745-3478, dated February 13, 2015 (the "Chandler Contract"), for the Contractor to provide street replacement and asphalt mill and overlay. A copy of the Chandler Contract is attached hereto as Exhibit A and incorporated herein by reference, to the extent not inconsistent with this Agreement.

B. The Town is permitted, pursuant to Section 3-3-27 of the Town Code, to make purchases under the Chandler Contract, at its discretion and with the agreement of the awarded Contractor, and the Chandler Contract permits its cooperative use by other public entities, including the Town.

C. The Town and the Contractor desire to enter into this Agreement for the purpose of (i) acknowledging their cooperative contractual relationship under the Chandler Contract and this Agreement, (ii) establishing the terms and conditions by which the Contractor may provide the Town with asphalt mill and overlay, as more particularly set forth in Section 2 below (the "Materials and Services") and (iii) setting the maximum aggregate amount to be expended pursuant to this Agreement related to the Materials and Services.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and the Contractor hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall remain in full force and effect until September 2, 2016, unless terminated as otherwise provided in this Agreement or the Chandler Contract.
2. Scope of Work. Contractor shall provide the Materials and Services (i) under the terms and conditions of the Chandler Contract, (ii) as set forth in the Proposal and Map, attached hereto as Exhibit B and incorporated herein by reference and (iii) pursuant to instructions from the Town.

3. Compensation. The Town shall pay Contractor an aggregate amount not to exceed \$1,471,597.22 for Materials and Services at the unit rates as set forth in the Chandler Contract and as more particularly set forth in the Proposal.

4. Payments. The Town shall pay the Contractor monthly, based upon acceptance and delivery of Materials and/or Services performed and completed to date, and upon submission and approval of invoices. Each invoice shall (i) contain a reference to this Agreement and the Chandler Contract and (ii) document and itemize all work completed to date. The invoice statement shall include a record of materials delivered, time expended and work performed in sufficient detail to justify payment. Additionally, invoices submitted without referencing this Agreement and the Chandler Contract will be subject to rejection and may be returned.

5. Records and Audit Rights. To ensure that the Contractor and its subcontractors are complying with the warranty under Section 6 below, Contractor's and its subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Agreement, including the papers of any Contractor and its subcontractors' employees who perform any work or services pursuant to this Agreement (all of the foregoing hereinafter referred to as "Records"), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the Town, to the extent necessary to adequately permit (i) evaluation and verification of any invoices, payments or claims based on Contractor's and its subcontractors' actual costs (including direct and indirect costs and overhead allocations) incurred, or units expended directly in the performance of work under this Agreement and (ii) evaluation of the Contractor's and its subcontractors' compliance with the Arizona employer sanctions laws referenced in Section 6 below. To the extent necessary for the Town to audit Records as set forth in this Section, Contractor and its subcontractors hereby waive any rights to keep such Records confidential. For the purpose of evaluating or verifying such actual or claimed costs or units expended, the Town shall have access to said Records, even if located at its subcontractors' facilities, from the effective date of this Agreement for the duration of the work and until three years after the date of final payment by the Town to Contractor pursuant to this Agreement. Contractor and its subcontractors shall provide the Town with adequate and appropriate workspace so that the Town can conduct audits in compliance with the provisions of this Section. The Town shall give Contractor or its subcontractors reasonable advance notice of intended audits. Contractor shall require its subcontractors to comply with the provisions of this Section by insertion of the requirements hereof in any subcontract pursuant to this Agreement.

6. E-verify Requirements. To the extent applicable under ARIZ. REV. STAT. § 41-4401, the Contractor and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-verify requirements under ARIZ. REV. STAT. § 23-214(A). Contractor's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Agreement and may result in the termination of this Agreement by the Town.

7. Conflict of Interest. This Agreement may be canceled by the Town pursuant to ARIZ. REV. STAT. § 38-511.

8. Applicable Law; Venue. This Agreement shall be governed by the laws of the State of Arizona and a suit pertaining to this Agreement may be brought only in courts in Maricopa County, Arizona.

9. Agreement Subject to Appropriation. The Town is obligated only to pay its obligations set forth in this Agreement as may lawfully be made from funds appropriated and budgeted for that purpose during the Town's then current fiscal year. The Town's obligations under this Agreement are current expenses subject to the "budget law" and the unfettered legislative discretion of the Town concerning budgeted purposes and appropriation of funds. Should the Town elect not to appropriate and budget funds to pay its Agreement obligations, this Agreement shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose and the Town shall be relieved of any subsequent obligation under this Agreement. The parties agree that the Town has no obligation or duty of good faith to budget or appropriate the payment of the Town's obligations set forth in this Agreement in any budget in any fiscal year other than the fiscal year in which this Agreement is executed and delivered. The Town shall be the sole judge and authority in determining the availability of funds for its obligations under this Agreement. The Town shall keep Contractor informed as to the availability of funds for this Agreement. The obligation of the Town to make any payment pursuant to this Agreement is not a general obligation or indebtedness of the Town. Contractor hereby waives any and all rights to bring any claim against the Town from or relating in any way to the Town's termination of this Agreement pursuant to this section.

10. Conflicting Terms. In the event of any inconsistency, conflict or ambiguity among the terms of this Agreement, the Chandler Contract, the Proposal and invoices, the documents shall govern in the order listed herein. Notwithstanding the foregoing, and in conformity with Section 2 above, unauthorized exceptions, conditions, limitations or provisions in conflict with the terms of this Agreement or the Chandler Contract (collectively, the "Unauthorized Conditions"), other than the Town's project-specific requirements, are expressly declared void and shall be of no force and effect. Acceptance by the Town of any work order or invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Agreement or under the Chandler Contract shall not alter such terms and conditions or relieve Contractor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Agreement.

11. Rights and Privileges. To the extent provided under the Chandler Contract, the Town shall be afforded all of the rights and privileges afforded to Chandler and shall be the "City" (as defined in the Chandler Contract) for the purposes of the portions of the Chandler Contract that are incorporated herein by reference.

12. Indemnification; Insurance. In addition to and in no way limiting the provisions set forth in Section 11 above, the Town shall be afforded all of the insurance coverage and indemnifications afforded to Chandler to the extent provided under the Chandler Contract, and such insurance coverage and indemnifications shall inure and apply with equal effect to the Town under this Agreement including, but not limited to, the Contractor's obligation to provide the indemnification and insurance. In any event, the Contractor shall indemnify, defend and hold harmless the Town and each council member, officer, employee or agent thereof (the Town and

any such person being herein called an "Indemnified Party"), for, from and against any and all losses, claims, damages, liabilities, costs and expenses (including, but not limited to, reasonable attorneys' fees, court costs and the costs of appellate proceedings) to which any such Indemnified Party may become subject, under any theory of liability whatsoever ("Claims"), insofar as such Claims (or actions in respect thereof) relate to, arise out of, or are caused by or based upon the negligent acts, intentional misconduct, errors, mistakes or omissions, in connection with the work or services of the Contractor, its officers, employees, agents, or any tier of subcontractor in the performance of this Agreement.

Any notice or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given if (A) delivered to the party at the address set forth below, (B) deposited in the U.S. Mail, registered or certified, return receipt requested, to the address set forth below or (C) given to a recognized and reputable overnight delivery service, to the address set forth below:

9. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement. If any of the required policies expire during the life of this Agreement, the CONTRACTOR must forward renewal or replacement Certificates to the City within 10 days after the renewal date containing all the necessary insurance provisions.
