## AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and the Contractor hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall remain in full force and effect until March 31, 2016, unless terminated as otherwise provided in this Agreement, the Master Agreement or the State Addendum.

2. Scope of Work. This is an indefinite quantity and indefinite delivery Agreement for Materials and Services under the terms and conditions of the Master Agreement and State Addendum. The Town does not guarantee any minimum or maximum number of purchases will be made pursuant to this Agreement. Purchases will only be made when the Town identifies a need and proper authorization and documentation have been approved. For purchase(s) determined by the Town to be appropriate for this Agreement, the Contractor shall provide the Materials and Services to the Town in such quantities and configurations as may be agreed upon between the parties, in the form of a written invoice, quote, work order or other form of written agreement describing the work to be completed (each, a "Work Order"). Each Work Order approved and accepted by the parties pursuant to this Agreement shall (i) contain a reference to this Agreement, the Master Agreement and State Addendum and (ii) be attached hereto as Exhibit C and incorporated herein by reference. Work Orders submitted without referencing this Agreement, the Master Agreement and State Addendum will be subject to rejection.

2.1 Inspection; Acceptance. All Materials and Services are subject to final inspection and acceptance by the Town. Materials failing to conform to the requirements of this Agreement, the Master Agreement and State Addendum will be held at Contractor's risk and may be returned to the Contractor. If so returned, all costs are the responsibility of the Contractor. Upon discovery of non-conforming Materials or Services, the Town may elect to do any or all of the following by written notice to the Contractor: (A) waive the non-conformance; (B) stop the work immediately; or (C) bring Materials or Service into compliance and withhold the cost of same from any payments due to the Contractor.

2.2 Cancellation. The Town reserves the right to cancel Work Orders within a reasonable period of time after issuance. Should a Work Order be canceled, the Town agrees to reimburse the Contractor, but only for actual and documentable costs incurred by the Contractor due to and after issuance of the Work Order. The Town will not reimburse the Contractor for any costs incurred after receipt of Town notice of cancellation, or for lost profits, shipment of product prior to issuance of Work Order or for anything not expressly permitted pursuant to this Agreement.

3. Compensation. The Town shall pay Contractor an aggregate amount not to exceed \$8,000.00 for the Materials and Services at the unit rates set forth in the Master Agreement and State Addendum.

4. Payments. The Town shall pay the Contractor monthly, based upon acceptance and delivery of Materials and/or Services performed and completed to date, and upon submission and approval of invoices. Each invoice shall (i) contain a reference to this Agreement, the Master Agreement and State Addendum and (ii) document and itemize all work completed to date. The invoice statement shall include a record of materials delivered, time expended and work performed in sufficient detail to justify payment. Additionally, invoices submitted without referencing this Agreement, the Master Agreement and State Addendum will be subject to rejection and may be returned.

5. Records and Audit Rights. To ensure that the Contractor and its subcontractors are complying with the warranty under Section 6 below, Contractor's and its subcontractors' books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Agreement, including the papers of any Contractor and its subcontractors' employees who perform any work or services pursuant to this Agreement (all of the foregoing hereinafter referred to as "Records"), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the Town, to the extent necessary to adequately permit (i) evaluation and verification of any invoices, payments or claims based on Contractor's and its subcontractors' actual costs (including direct and indirect costs and overhead allocations) incurred, or units expended directly in the performance of work under this Agreement and (ii) evaluation of the Contractor's and its subcontractors' compliance with the Arizona employer sanctions laws referenced in Section 6 below. To the extent necessary for the Town to audit Records as set forth in this Section, Contractor and its subcontractors hereby waive any rights to keep such Records confidential. For the purpose of evaluating or verifying such actual or claimed costs or units expended, the Town shall have access to said Records, even if located at its subcontractors' facilities, from the effective date of this Agreement for the duration of the work and until three years after the date of final payment by the Town to Contractor pursuant to this Agreement. Contractor and its subcontractors shall provide the Town with adequate and appropriate workspace so that the Town can conduct audits in compliance with the provisions of this Section. The Town shall give Contractor or its subcontractors reasonable advance notice of intended audits. Contractor shall require its subcontractors to comply with the provisions of this Section by insertion of the requirements hereof in any subcontract pursuant to this Agreement.

6. E-verify Requirements. To the extent applicable under ARIZ. REV. STAT. § 41-4401, the Contractor and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-verify requirements under ARIZ. REV. STAT. § 23-214(A). Contractor's or its subcontractors' failure to comply with such warranty shall be deemed a material breach of this Agreement and may result in the termination of this Agreement by the Town.

7. Conflict of Interest. This Agreement may be canceled by the Town pursuant to ARIZ. REV. STAT. § 38-511.

8. Applicable Law; Venue. This Agreement shall be governed by the laws of the State of Arizona and a suit pertaining to this Agreement may be brought only in courts in Maricopa County, Arizona.

9. Agreement Subject to Appropriation. The Town is obligated only to pay its obligations set forth in this Agreement as may lawfully be made from funds appropriated and budgeted for that purpose during the Town's then current fiscal year. The Town's obligations under this Agreement are current expenses subject to the "budget law" and the unfettered legislative discretion of the Town concerning budgeted purposes and appropriation of funds. Should the Town elect not to appropriate and budget funds to pay its Agreement obligations, this Agreement shall be deemed terminated at the end of the then-current fiscal year term for which such funds were appropriated and budgeted for such purpose and the Town shall be relieved of any subsequent obligation under this Agreement. The parties agree that the Town has no obligation or duty of good faith to budget or appropriate the payment of the Town's obligations set forth in this Agreement in any budget in any fiscal year other than the fiscal year in which this Agreement is executed and delivered. The Town shall be the sole judge and authority in determining the availability of funds for its obligations under this Agreement. The Town shall keep Contractor informed as to the availability of funds for this Agreement. The obligation of the Town to make any payment pursuant to this Agreement is not a general obligation or indebtedness of the Town. Contractor hereby waives any and all rights to bring any claim against the Town from or relating in any way to the Town's termination of this Agreement pursuant to this section.

10. Conflicting Terms. In the event of any inconsistency, conflict or ambiguity among the terms of the Master Agreement, State Addendum, this Agreement, any Town-approved work orders and invoices, the documents shall govern in the order listed herein. Notwithstanding the foregoing, and in conformity with Section 2 above, unauthorized exceptions, conditions, limitations or provisions in conflict with the terms of this Agreement, the Master Agreement or the State Addendum (collectively, the "Unauthorized Conditions"), other than the Town's project-specific requirements, are expressly declared void and shall be of no force and effect. Acceptance by the Town of any work order or invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Agreement or under the Master Agreement or State Addendum shall not alter such terms and conditions or relieve Contractor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Agreement.

11. Indemnification; Insurance. The Town shall be afforded all of the rights, privileges and indemnifications afforded to the Lead State, Participating Entities and its agencies and employees under the Master Agreement or to the State under the State Addendum, and such rights, privileges and indemnifications shall accrue and apply with equal effect to the Town under this Agreement including, but not limited to, the Contractor's obligation to provide indemnification and insurance.

Any notice or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given if (A) delivered to the party at the address set forth below, (B) deposited in the U.S. Mail, registered or certified, return receipt requested, to the address set forth below or (C) given to a recognized and reputable overnight delivery service, to the address set forth below:

Other states and their political subdivisions are also eligible to participate in WSCA contracts. Obligations under this contract are limited to those Participating States who have signed a Participating Addendum where contemplated by the solicitation. Financial obligations of Participating States are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions. Unless otherwise specified in the solicitation, the resulting award(s) will be permissive.

**QUALITY ESTIMATES:** WSCA does not guarantee to purchase any amount under the contract to be awarded. Estimated quantities are for the purposes of submitting proposals only and are not to be construed as a guarantee to purchase any amount.

**SPECIFICATIONS:** Any deviation from specifications must be clearly indicated by offeror, otherwise, it will be considered that the proposal is in strict compliance. When BRAND NAMES or manufacturers' numbers are stated in the specifications they are intended to establish a standard only and are not restrictive unless the RFP states "No substitute". Proposals will be considered on other makes, models or brands having comparable quality, style, workmanship and performance characteristics. Alternate proposals offering lower quality or inferior performance will not be considered.

**ACCEPTANCE OR REJECTION OF PROPOSALS:** WSCA reserves the right to accept or reject any or all proposals or parts of proposals, and to waive informalities therein.

**SAMPLES:** Generally, when required, samples will be specifically requested in the Request for Proposals. Samples, when required, are to be furnished free of charge. Except for those samples destroyed or mutilated in testing, samples will be returned at an offeror's request, transportation collect.

**CASH DISCOUNT TERMS:** Offeror may quote a cash discount based upon early payment; however, discounts offered for less than 30 days will not be considered in making the award. The date from which discount time is calculated shall be the date a correct invoice is received or receipt of shipment, whichever is later; except that if testing is performed, the date shall be the date of acceptance of the merchandise.

**TAXES:** Proposal prices shall be exclusive of state sales and federal excise taxes. Where the state government entities are not exempt from sales taxes on sales within their state, the contractor shall add the sales taxes on the billing invoice as a separate entry.

**MODIFICATION OR WITHDRAWAL OF PROPOSALS:** Proposals may be modified or withdrawn prior to the time set for the opening of proposals. After the time set for the opening of proposals, no proposal may be modified or withdrawn, unless done in response to a request for a "Best and Final Offer" from WSCA.

**PATENTS, COPYRIGHTS, ETC.:** The Contractor shall release, indemnify and hold the Buyer, its officers, agents and employees harmless from liability of any kind or nature, including the Contractor's use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of this contract.

**AWARD:** WSCA may award multiple contracts as the result of this solicitation. Awards shall be made to the responsible offeror(s) whose proposal is determined to be the most advantageous to WSCA, taking into consideration price and the other evaluation factors set forth in the RFP.

**NON-COLLUSION:** By signing the proposal the offeror certifies that the proposal submitted, has been arrived at independently and has been submitted without collusion with, and without any agreement, understanding or planned common course of action with, any other vendor of materials, supplies, equipment or services described in the Request for Proposal, designed to limit independent bidding or competition.

**ASSIGNMENT/SUBCONTRACT:** Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this contract, in whole or in part, without the prior written approval of the WSCA Contract Administrator.

**NONDISCRIMINATION:** The offeror agrees to abide by the provisions of Title VI and Title VII of the Civil Rights Act of 1964 (42 USC 2000e), which prohibit discrimination against any employee or applicant for employment, or any applicant or recipient of services, on the basis of race, religion, color, or national origin; and further agrees to abide by Executive Order No. 11246, as amended, which prohibits discrimination on basis of sex; 45 CFR 90 which prohibits discrimination on the basis of age, and Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990 which prohibits discrimination on the basis of disabilities. The offeror further agrees to furnish information and reports to requesting State(s), upon request, for the purpose of determining compliance with these statutes. Offeror agrees to comply with each individual state's certification requirements, if any, as stated in the additional terms and conditions listed in the solicitation. This contract may be canceled if the offeror fails to comply with the provisions of these laws and regulations. However, the Dealer Agreement, signed by dealers with each participating state, relating to this master agreement will satisfy the "nondiscrimination" term and condition".

**SEVERABILITY:** If any provision of this contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected; and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular provision held to be invalid.

**INSPECTIONS:** Goods furnished under this contract shall be subject to inspection and test by the Buyer at times and places determined by the Buyer. If the Buyer finds goods furnished to be incomplete or in compliance with proposal specifications, the Buyer may reject the goods and require Contractor to either correct them without charge or deliver them at a reduced price, which is equitable under the circumstances. If Contractor is unable or refuses to correct such goods within a time deemed reasonable by the Buyer, the Buyer may cancel the order in whole or in part. Nothing in this paragraph shall adversely affect the Buyer's rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.

**PAYMENT:** Payment for completion of a contract is normally made within 30 days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. All safety data sheets and labels will be in accordance with each participating state's requirements.

**FIRM PRICE:** Unless otherwise stated in the additional terms and conditions listed in the solicitation for the purpose of award, offers made in accordance with this solicitation must be good and firm for a period of ninety (90) days from the date of proposal opening. Prices must remain firm for the full term of the contract.

**INDEPENDENT CONTRACTOR:** The contractor shall be an independent contractor, and as such shall have no authorization, express or implied to bind WSCA or the respective states to any agreements, settlements, liability or understanding whatsoever, and agrees not to perform any acts as agent for WSCA or the states, except as expressly set forth herein.

**CANCELLATION:** Unless otherwise stated in the additional terms and conditions listed in the RFP, any contract entered into as a result of this bid may be canceled by either party upon 60 days notice, in writing, prior to the effective date of the cancellation. Further, any Participating State may cancel its participation upon 30 days written notice, unless otherwise limited or stated in the additional terms and conditions listed in this solicitation. Cancellation may be in whole or in part. Any cancellation under this provision shall not effect the rights and obligations attending orders outstanding at the time of cancellation, including any right of and Purchasing Entity to indemnification by the Contractor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any order. Cancellation of the contract due to Contractor default may be immediate.

Terminate this contract and any related contracts or portions thereof; 3. Impose liquidated damages; 4. Suspend contractor from receiving future proposal solicitations.

**LAWS AND REGULATIONS:** Any and all supplies, services and equipment offered and furnished shall comply fully with all applicable Federal and State laws and regulations.

**CONFLICT OF TERMS:** In the event of any conflict between these Standard Terms and Conditions and any additional terms and conditions listed in the solicitation; the additional terms and conditions listed in the solicitation shall govern.

### **SUPERSEDING PROVISIONS TO STATE COOPERATIVE**

**WSCA RFP #RT12002** Ref: Utah Contract MA210

The following provisions are hereby made a part of WSCA RFP #RT12002 and the resulting Contract ("the Contract") and supplement all other provisions of the Contract and supersede any provision in conflict in whole or in part with the provisions set forth below:

#### **1. ORDER OF PRECEDENCE.**

Order of precedence would change to (1) Participating Addendum (PA), including state specific Terms and Conditions where applicable (2) this Attachment D (3) the WSCA Standard Terms and Conditions, (4) RFP RT12002, and (5) Contractor's response to RFP # 12002 dated November 29, 2011.

#### **2. PATENTS, COPYRIGHTS, ETC.**

Notwithstanding anything in this Contract to the contrary, Contractor warrants that the Products described herein and the sale or use of such Products, will not infringe or contribute to the infringement of any United States or foreign patent, trademark, copyright or corresponding right, and Contractor agrees to indemnify, hold harmless and protect Customer its parent, affiliated and subsidiary companies, its and their successors and assigns, from and against all losses, damages, liabilities, claims, costs, demands and suit at law or equity, including coverage of any reasonable attorney's fees, to the extent resulting from actual infringement of any patents, trademarks, copyrights or corresponding rights pertaining to the Products subject to this Agreement.

#### **3. INDEMNIFICATION/HOLD HARMLESS.**

(a) Indemnification/Hold Harmless as required by the Terms and Conditions in the original Request for Proposal and made part of the Contract shall be in full force and effect, except that with respect to subcontractors or volunteers of contractor, section 4 hereof shall apply. The Contractor shall defend all actions brought upon such matters to be indemnified hereunder and pay all costs and expenses incidental thereto, but the Buyer shall have the right, at its option, to participate in the defense of any such action without relieving the Contractor of any obligation hereunder; however, the contractor shall direct and control such defense.

(b) The following clause will apply only as it relates to the indemnification/Hold Harmless issues specifically for personal injury and property damage claims: Any Contractor submitted exclusions limiting this indemnification shall not apply to any reasonable "Foreseeable Use" of the tires by the Participating State ("State") under the Contract. "Foreseeable Use" is defined as general driving that a reasonable person would identify as reasonable foreseeable for the tires and the vehicles with driving adjustments for weather conditions. For Off-Highway Tires, the "Foreseeable Use" would include reasonable foreseeable driving in off-highway terrain that a reasonable person would identify as reasonable foreseeable for the tires and the vehicles being used. In addition, Contractor's submitted limited warranty shall apply to commercial and government use.

(c) Notwithstanding any of the above, to the extent there is personal property or personal injury damage incurred as a primary result of the wrongful acts or negligence of the State, its agents, employees

and anyone for whom the State is liable (i.e. customer abuse, modifications not executed by the Contractor, improper or insufficient maintenance, improper operation, or normal wear and tear under normal usage), the indemnification/hold harmless and defense obligations of contractor shall not apply. For clarification, each of the contractor and the state shall be responsible for any such personal property or personal injury damage to the extent caused by each respective party's actions.

#### **4. OTHER SERVICE PROVIDERS**

(a) Buyer recognizes that Contractor is providing services under this Contract through its own contracts with affiliated dealers, various installers and independent dealers. Contractor is responsible and liable to the Buyer for the wrongful acts or negligence of its "Affiliated Dealers". For purposes of this Addendum D, "Affiliated Dealers" mean the tire retailers owned and operated by Contractor.

(b) The parties agree that the independent dealers ("Dealers" herein shall mean Contractor's independent dealers") shall be responsible for the liabilities, insurance requirements, and warranties directly related for their actions and for the services they perform.

#### **5. ASSIGNMENT OF CONTRACT**

Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this contract, in whole or in part, without the prior written approval of the WSCA Contract Administrator.

Notwithstanding the foregoing, nothing herein shall prohibit the supply of products or service pursuant to this Contract by Contractor's authorized independent dealers, franchisees or affiliates.

#### **6. FORCE MAJEURE**

Neither party to this contract shall be held responsible for delay or default caused by fire, riot, acts of God and /or war which is beyond that party's reasonable control. WSCA may terminate this contract after determining such delay or default will reasonably prevent successful performance of the contract.

Except for payment obligations, the Parties shall not be liable for a failure to perform that arises from causes or events beyond their reasonable control and without their fault or negligence. Neither Party will be liable for any failure or excusable delay in performing its obligations under the Agreement if such failure or excusable delay is due to unusually severe weather, strikes or labor disputes, natural disasters, fire, civil disturbance, terrorist attack, epidemic, war, or acts of God Contractor may suspend performance of its obligations under this Contract without obligation to WSCA during the occurrence of any excusable delay. Each party must inform the other in writing with proof of receipt within ten (10) business days of the existence of a force majeure event.

#### **7. WARRANTY**

In general, the contractor Standard written limited warranty shall apply for defects in materials and workmanship and will also warrant that (a) the product will be suitable for the ordinary purposes for which such product is used, and (b) when Contractor has listed exclusions in their submitted Warranties regarding replacing the worn or defective tires due to the tires being rotated within a specific mileage or timeframe, the exclusions will not apply if the lack of tire rotation did not reasonably affect the wear or defects on the tire.

#### **8. FUTURE TAX/FEE INCREASES OR ENACTMENTS**

All taxes billed to Customer under this contract are subject to increases or decrease from time to time to compensate for any tax, excise, or levy upon the products sold, or upon the manufacture, sales, transportation, or delivery of them or whenever any tax, excise, levy, law or governmental regulation has the effect, directly or indirectly, of increasing the cost of manufacture, sales, or delivery. If any government action or laws or regulation should have the effect of establishing a new tax or fee that is imposed on the transactions covered under this contract, Contractor has the right to bill Customer for the new or increased taxes or fees as they become due under the applicable law

IN WITNESS WHEREOF, the parties sign and agree to the terms in Attachment D.
