

ADOPT-A-SENIOR

The Fountain Hills Adopt-A-Senior program provides companionship to Fountain Hills Homebound Seniors. Volunteers assist with activities such as weekly check-in visits, wellness calls, or simply picking up an essential grocery item. Volunteer's interests and skills are matched with Senior's interests and needs.

Seniors in the Adopt-A-Senior program receive 4 Seasonal Care Packages throughout the year. Our Seasonal Care Packages are sponsored by **Encore Senior Services Inc.** and Our Community Donations.
