Commemorative Bench Program

Fountain Park

ECO SLATTED BENCH

\$2,000

This six foot cedar colored bench is made with purified high density polyethylene, smoothly finished 3 x 4 patterned recycled wood slats. Each bench comes with a lovely 4" x 8" brass plaque with an inscription of your choice (text only, no images, graphics, or pictures). The bench is constructed with a stainless steel frame.

How to Participate

The Town of Fountain Hills, Community Services Department, offers you a very thoughtful way to honor loved one(s) while at the same time making a meaningful contribution to our community. Through the Commemorative Bench Program you have an opportunity to dedicate a bench with plaque in Fountain Park.

Bench Information

When the lifespan of the bench has been reached and requires replacement, the donor will have the opportunity to fund a new bench at the current replacement costs. If the donor wishes not to replace the bench, it will be made available for a new donor.

Bench Information

Once an item is donated it becomes the property of the Town. The Town is not responsible for the replacement of any damaged or deteriorated benches and the Town reserves the right to remove them as needed. The lifespan of a bench is estimated at ten years and the Town does not guarantee the longevity of the benches.
