

**COOPERATIVE PURCHASING AGREEMENT
BETWEEN
THE TOWN OF FOUNTAIN HILLS
AND
PAVEMENT MARKING, INC.**

THIS COOPERATIVE PURCHASING AGREEMENT (this "Agreement") is entered into as of March 15, 2012, between the Town of Fountain Hills, an Arizona municipal corporation (the "Town"), and Pavement Marking, Inc., an Arizona corporation (the "Contractor").

RECITALS

A. After a competitive procurement process, Pinal County, Arizona entered into Contract No. 07-11-12 dated November 14, 2007, as amended and extended, for the Contractor to provide roadway pavement marking services (collectively, the "Pinal County Contract"). A copy of the Pinal County Contract is attached hereto as Exhibit A and incorporated herein by reference.

B. The Town is permitted by Section 3-3-13 of the Town Code to purchase services under the Pinal County Contract without any further public bidding when, in the opinion of the purchasing director, a separate bidding process is not likely to result in a lower price than would be available under the Pinal County Contract.

C. The purchasing director has made the determination that a separate bidding process is not likely to result in a lower price than would be available under the Pinal County Contract. The Town desires to utilize the services of the Contractor for a lower cost than would otherwise be available.

D. The Town and the Contractor desire to enter into this Agreement for the purpose of (i) acknowledging a cooperative contractual relationship under Pinal County Contract, (ii) establishing the terms and conditions by which the Contractor may provide the Town with restriping of existing pavement markings services, as more particularly set forth in Section 2 below (the "Services") and (iii) setting the maximum aggregate amount to be expended pursuant to this Agreement related to the Services.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by reference, the following mutual covenants and conditions, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Town and the Contractor hereby agree as follows:

1. Term of Agreement. This Agreement shall be effective as of the date first set forth above and shall remain in full force and effect until June 30, 2012, unless terminated as otherwise provided pursuant to the terms and conditions of this Agreement or the Pinal County Contract.

2. Scope of Work. Contractor shall perform the Services under the terms and conditions of the Pinal County Contract and pursuant to instructions from the Town. The Town does not guarantee any minimum or maximum number of purchases will be made pursuant to this Agreement.

3. Compensation. The Town shall pay Contractor an aggregate amount not to exceed \$19,000.00 for the Services at the unit rates as set forth in the Pinal County Contract, attached hereto as Exhibit A.

4. Payments. The Town shall pay the Contractor based upon Services performed and completed to date and upon submission and approval of invoices. Each invoice shall (i) contain a reference to this Agreement and the Pinal County Contract and (ii) document and itemize all work completed to date. The invoice statement shall include a record of time expended and work performed in sufficient detail to justify payment. Additionally, invoices submitted without referencing this Agreement and the Pinal County Contract will be subject to rejection and may be returned.

5. Records and Audit Rights. To ensure that the Contractor and its subcontractors are complying with the warranty under Section 5 below, Contractor's and its subcontractor's books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Agreement, including the papers of any Contractor and its subcontractors' employees who perform any work or services pursuant to this Agreement (all of the foregoing hereinafter referred to as "Records"), shall be open to inspection and subject to audit and/or reproduction during normal working hours by the Town, to the extent necessary to adequately permit (i) evaluation and verification of any invoices, payments or claims based on Contractor's and its subcontractors' actual costs (including direct and indirect costs and overhead allocations) incurred, or units expended directly in the performance of work under this Agreement and (ii) evaluation of the Contractor's and its subcontractors' compliance with the Arizona employer sanctions laws referenced in Section 5 below. To the extent necessary for the Town to audit Records as set forth in this Section, Contractor and its subcontractors hereby waive any rights to keep such Records confidential. For the purpose of evaluating or verifying such actual or claimed costs or units expended, the Town shall have access to said Records, even if located at its subcontractors' facilities, from the effective date of this Agreement for the duration of the work and until three years after the date of final payment by the Town to Contractor pursuant to this Agreement. Contractor and its subcontractors shall provide the Town with adequate and appropriate workspace so that the Town can conduct audits in compliance with the provisions of this Section. The Town shall give Contractor or its subcontractors reasonable advance notice of intended audits. Contractor shall require its subcontractors to comply with the provisions of this subsection by insertion of the requirements hereof in any subcontract pursuant to this Agreement.

6. E-verify Requirements. To the extent applicable under ARIZ. REV. STAT. § 41-4401, the Contractor and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-verify requirements under ARIZ. REV. STAT. § 23-214(A). Contractor's or its subcontractor's failure to comply with such warranty shall be deemed a material breach of this Agreement and may result in the termination of this Agreement by the Town.

7. Scrutinized Business Operations. Pursuant to ARIZ. REV. STAT. §§ 35-391.06 and 35-393.06, the Contractor certifies that it does not have scrutinized business operations in Sudan or Iran. For the purpose of this subsection the term “scrutinized business operations” shall have the meanings set forth in ARIZ. REV. STAT. §§ 35-391 or 35-393, as applicable. If the Town determines that the Contractor submitted a false certification, the Town may impose remedies as provided by law including terminating this Agreement.

8. Conflict of Interest. This Agreement may be canceled by the Town pursuant to ARIZ. REV. STAT. § 38-511.

9. Applicable Law; Venue. In the performance of this Agreement, Contractor shall abide by and conform to any and all laws of the United States, the State of Arizona and the Town of Fountain Hills, including, but not limited to, federal and state executive orders providing for equal employment and procurement opportunities, the Federal Occupational Safety and Health Act and any other federal or state laws applicable to this Agreement. This Agreement shall be governed by the laws of the State of Arizona and a suit pertaining to this Agreement may be brought only in courts in Maricopa County, Arizona.

10. Agreement Subject to Appropriation. This Agreement is subject to the provisions of ARIZ. CONST. ART. IX, § 5 and ARIZ. REV. STAT. § 42-17106. The provisions of this Agreement for payment of funds by the Town shall be effective when funds are appropriated for purposes of this Agreement and are actually available for payment. The Town shall be the sole judge and authority in determining the availability of funds under this Agreement and the Town shall keep the Contractor fully informed as to the availability of funds for this Agreement. The obligation of the Town to make any payment pursuant to this Agreement is a current expense of the Town, payable exclusively from such annual appropriations, and is not a general obligation or indebtedness of the Town. If the Town Council fails to appropriate money sufficient to pay the amounts as set forth in this Agreement during any immediately succeeding fiscal year, this Agreement shall terminate at the end of then-current fiscal year and the Town and the Contractor shall be relieved of any subsequent obligation under this Agreement.

11. Conflicting Terms. In the event of any inconsistency, conflict or ambiguity among the terms of this Agreement, the Pinal County Contract and invoices, the documents shall govern in the order listed herein. Notwithstanding the foregoing, unauthorized exceptions, conditions, limitations or provisions in conflict with the terms of this Agreement or the Pinal County Contract (collectively, the “Unauthorized Conditions”), other than the Town’s project-specific requirements, are expressly declared void and shall be of no force and effect. Acceptance by the Town of any invoice containing any such Unauthorized Conditions or failure to demand full compliance with the terms and conditions set forth in this Agreement or under the Pinal County Contract shall not alter or relieve Contractor from, nor be construed or deemed a waiver of, its requirements and obligations in the performance of this Agreement.

12. Indemnification; Insurance. To the extent provided under the Pinal County Contract, the Town shall be afforded all of the rights, privileges, insurance coverage and indemnifications afforded to Pinal County, Arizona, and such rights, privileges, insurance coverage and indemnifications shall inure and apply with equal effect to the Town under this Agreement including, but not limited to, the Contractor’s obligation to provide the indemnification and insurance. In any event, the Contractor shall indemnify, defend and hold

harmless the Town and each council member, officer, employee or agent thereof (the Town and any such person being herein called an "Indemnified Party"), for, from and against any and all losses, claims, damages, liabilities, costs and expenses (including, but not limited to, reasonable attorneys' fees, court costs and the costs of appellate proceedings) to which any such Indemnified Party may become subject, under any theory of liability whatsoever ("Claims"), insofar as such Claims (or actions in respect thereof) relate to, arise out of, or are caused by or based upon the negligent acts, intentional misconduct, errors, mistakes or omissions, in connection with the work or services of the Contractor, its officers, employees, agents, or any tier of subcontractor in the performance of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date and year first set forth above.
