RESOLUTION NO. 2014-45

WHEREAS, pursuant to a special bond election held in and for the Town of Fountain Hills, Arizona (the "Town"), on November 5, 2013, the issuance of general obligation bonds has been approved (the "Election"); and

WHEREAS, the Town now desires to issue and sell $7,565,000 of its General Obligation Bonds, Series 2014 (the "Bonds"), for the purposes and according to the terms as set forth in this resolution; and

WHEREAS, after having received and reviewed such bids, the Mayor and Council of the Town (the "Town Council") hereby deems the bid for the Bonds attached hereto as Exhibit C and incorporated by reference herein, of Janney Montgomery Scott LLC (the "Underwriter"), to be the lowest and best bid received for the purchase of the Bonds, and the Town desires that the Bonds be sold to the Underwriter on the terms set forth in the winning bid; and

WHEREAS, all acts, conditions and things required by the Constitution and laws of the State of Arizona to happen, exist and be performed precedent to and in the adoption of this resolution have happened, exist and have been performed as so required in order to make this resolution a valid and binding instrument for the security of the Bonds authorized herein;

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE TOWN OF FOUNTAIN HILLS, ARIZONA, as follows:

Section 1. Authorization. For the purpose of providing funds to make certain of the acquisitions and public improvements authorized by the qualified electors of the Town at the Election, there is hereby authorized to be issued and sold $7,565,000 aggregate principal amount of the Bonds.
Section 2. Terms.

A. Issuance of the Bonds. The Bonds hereby authorized to be issued shall be designated Town of Fountain Hills, Arizona, General Obligation Bonds, Series 2014 (the "Bonds"). The Bonds shall be dated the date of delivery of the Bonds to the Underwriter and will bear interest from the most recent January 1 or July 1 to which interest has been paid, or in the case of the interest due January 1, 2016, from their original dated date, to the maturity of each of the Bonds. The first interest payment date will be January 1, 2016, and interest shall be payable semiannually thereafter on each succeeding July 1 and January 1 during the term of the Bonds. The Bonds will be initially issued in fully registered book-entry-only form in denominations equal to the respective year’s maturity amount. If the book-entry-only system described in the Letter of Representations hereinafter defined (the “Book-Entry-Only System”) is discontinued, the Bonds will be issued in the denomination of $5,000 each or integral multiples thereof. The Bonds will mature on July 1 in the years and amounts and will bear interest at the rates as follows:

B. Book-Entry-Only System. So long as the Bonds are administered under the Book-Entry-Only System, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co. or its registered assigns in same-day funds no later than the time established by The Depository Trust Company (“DTC”) on each interest or principal payment date (or in accordance with then existing arrangements between the Town and DTC). The Town has previously entered into an agreement (the “Letter of Representations”) with DTC in connection with the issuance of the Town’s bonds, including the Bonds and, while the Letter of Representations is in effect, the procedures established therein shall apply to the Bonds.

C. Registration. If the Book-Entry-Only System is discontinued, the Registrar’s registration books will show the registered owners of the Bonds (the owner or owners of the Bonds as shown on the Registrar’s registration books shall be referred to as “Owner” or “Owners”). While the Bonds are subject to the Book-Entry-Only System, the Bonds shall be registered in the name of Cede & Co., or its registered assigns. The Bonds will be administered by the Registrar in a manner which assures against double issuance and provides a system of transfer of ownership on the books of the Registrar in the manner set forth in the Bonds. The Town recognizes that Section 149(a) of the Internal Revenue Code of 1986, as amended (the “Code”), requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Town agrees that it will not take any action to permit the Bonds to be issued in, or converted into bearer or coupon form.
D. Payment if Book-Entry-Only System is Discontinued. If the Book-Entry-Only System is discontinued, interest on the Bonds will be payable on each interest payment date by check mailed to the Owner thereof at the Owner’s address all as shown on the registration books maintained by the Registrar as of the close of business of the Registrar on the fifteenth (15th) day of the month preceding an interest payment date (the “Record Date”).

If the Book-Entry-Only System is discontinued, principal of the Bonds will be payable, when due, only upon presentation and surrender of the Bond at the designated corporate trust office of the Paying Agent (as defined hereafter). Upon written request of a registered owner of at least $1,000,000 in principal amount of Bonds not less than twenty (20) days prior to an interest payment date, all payments of interest and, if adequate provision for surrender is made, principal shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such Owner.

Notwithstanding any other provision of this resolution, payment of principal of and interest on any Bond that is held by a securities depository or Bonds subject to a Book-Entry-Only System may be paid by the Paying Agent by wire transfer in “same day funds”.

E. Other Terms. The Bonds shall have such additional terms and provisions as are set forth in the form of Bond attached hereto as Exhibit A, which is a part of this resolution.

Section 3. No Prior Redemption. The Bonds are not subject to call for redemption prior to maturity.

Section 4. Security. For the purpose of paying the principal of, interest and premium (if any) on early redemption and costs of administration of the registration and payment of the Bonds there shall be levied on all the taxable property in the Town a continuing, direct, annual, ad valorem tax sufficient to pay all such principal, interest, premium and administration costs on the Bonds as the same becomes due, such taxes to be levied, assessed and collected at the same time and in the same manner as other taxes are levied, assessed and collected. The proceeds of the taxes shall be kept in a special fund and shall be used only for the purpose for which collected.

Section 5. Form of Bonds. So long as the Book-Entry-Only System is in effect, the Bonds shall be in substantially the form of Exhibit A, attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Bonds and execution thereof by such officers shall constitute conclusive evidence of such approval. If the Book-Entry-Only System is discontinued, the Bonds shall be reissued and transferred in forms of Bonds to be prepared at that time.

The Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Bond shall be dated the date of its authentication and registration.
Section 6. Use of Proceeds. The proceeds from the sale of the Bonds shall be set aside and used for the purposes set forth on Exhibit B attached hereto. Bonds issued for street improvements ($7,565,000) will be charged against the Town’s 20% debt limit (Article 9, Section 8, Arizona Constitution). The moneys for each separate purpose as stated above shall be applied and used solely for the respective purpose and shall be allocated against the respective ballot question submitted to the qualified electors of the Town at the Election, as set forth on Exhibit B attached hereto.

Section 7. Execution of Bonds. The Bonds shall be executed for and on behalf of the Town by the Mayor and attested by the Town Clerk by their manual or facsimile signatures and the Town seal will be either photographically, mechanically reproduced or manually imprinted or affixed on the Bonds. If the signatures are affixed or imprinted by facsimile, the Mayor and Town Clerk shall execute a certificate adopting as their signatures the facsimile signatures appearing on the Bonds. If an officer whose signature is on a Bond no longer holds that office at the time the Bond is authenticated and registered, the Bond shall nevertheless be valid.

A Bond shall not be valid or binding until authenticated by the manual signature of an authorized officer of the Registrar. The signature shall be conclusive evidence that the Bond has been authenticated and issued under this resolution.

Section 8. Mutilated, Lost or Destroyed Bonds. In case any Bond becomes mutilated or destroyed or lost, the Town shall cause to be executed and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, upon the registered owner’s paying the reasonable expenses and charges of the Town in connection therewith and, in the case of the Bond destroyed or lost, filing with the Town Clerk by the registered owner evidence satisfactory to the Town that such Bond was destroyed or lost, and furnishing the Town with a sufficient indemnity bond pursuant to ARIZ. REV. STAT. § 47-8405.

Section 9. Acceptance of Final Bid. The bid of the Underwriter attached as Exhibit C and incorporated herein by reference is hereby accepted and the Bonds are hereby ordered sold to the Underwriter in accordance with the terms of such bid and the terms and conditions of the Notice Inviting Bids for the Purchase of Bonds and the terms hereof.

The Town’s Finance Director is hereby authorized and directed to cause the Bonds to be delivered to or upon the order of the Underwriter upon receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the sale.

Section 10. Registrar and Paying Agent. The Town will maintain an office or agency where Bonds may be presented for registration or transfer (the “Registrar”) and an office or agency where Bonds may be presented for payment (the “Paying Agent”). The Town may appoint one or more co-registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable rules and set reasonable requirements for their respective functions with respect to the owners of the Bonds.
Initially, Zions First National Bank, Phoenix, Arizona, will act as, and is hereby designated as, the Registrar and Paying Agent with respect to the Bonds. Any entity into which the Registrar and Paying Agent is merged or consolidated shall continue as the Registrar and Paying Agent hereunder without notice to the owners of Bonds or any further action by the Town. The Town may change the Registrar or Paying Agent without notice to or consent of owners of the Bonds and the Town may act in any such capacity.

The contract for Registrar’s services is hereby approved in substantially the form on file with the Town Clerk to provide for payment of Registrar’s services. The Mayor, any member of the Town Council or the Town’s Finance Director and the Town Clerk are hereby authorized and directed to execute the contract with the Registrar.

Each Paying Agent will be required to agree in writing that the Paying Agent will hold in trust for the benefit of the owners of the Bonds all moneys held by the Paying Agent for the payment of principal of and interest and any premium on the Bonds.

The Registrar may appoint an authenticating agent acceptable to the Town to authenticate Bonds. An authenticating agent may authenticate Bonds whenever the Registrar may do so. Each reference in this resolution to authentication by the Registrar includes authentication by an authenticating agent acting on behalf and in the name of the Registrar and subject to the Registrar’s direction.

The Registrar shall keep a register of the Bonds, the registered owners of the Bonds and of transfer of the Bonds. When Bonds are presented to the Registrar or a co-registrar with a request to register transfer, the Registrar will register the transfer on the registration books if its requirements for transfer are met and will authenticate and deliver one or more Bonds registered in the name of the transferee of the same principal amount, maturity and rate of interest as the surrendered Bonds. All transfer fees and costs shall be paid by the transferor. Bonds presented to the Registrar for transfer after the close of business on the Record Date and before the close of business on the next subsequent interest payment date will be registered in the name of the transferee but the interest payment will be made to the registered owners shown on the books of the Registrar as of the close of business on the Record Date.

The Registrar shall authenticate Bonds for original issue up to $7,565,000 in aggregate principal amount upon the written request of the Mayor or Town’s Finance Director. The aggregate principal amount of Bonds outstanding at any time may not exceed that amount except for replacement Bonds as to which the requirements of the Registrar and the Town are met.

Section 11. Official Statement. The preparation, completion, use and distribution of the Preliminary Official Statement dated November 19, 2014, as supplemented December 2, 2014 (the “Preliminary Official Statement”), pertaining to the original issuance of the Bonds in the form now on file with the Town Clerk is approved as a “deemed final” official statement (excepting permitted omissions), by the Town as of its date for purposes of Securities and Exchange Commission Rule 15c2-12 (the “Disclosure Rule”). The Mayor, the Town
Manager or the Town’s Finance Director is hereby authorized to certify or represent that the Official Statement is “final” for purposes of the Disclosure Rule. Such approval of the Preliminary Official Statement by the Mayor, the Town Manager or Town’s Finance Director shall constitute the approval and designation by the Town of the Preliminary Official Statement as a deemed final Official Statement for all purposes of the Disclosure Rule. The Mayor, the Town Manager or Town’s Finance Director is authorized on the Town’s behalf to complete a final official statement to be dated on or about the date hereof, and in substantially the form of the Preliminary Official Statement (the “Final Official Statement”). (The Preliminary Official Statement and the Final Official Statement are collectively referred to herein as the “Official Statement”.) The Final Official Statement shall contain such modifications, changes and supplements as the Mayor, the Town Manager or Town’s Finance Director shall approve or authorize as necessary to make true and accurate the information contained therein. The Mayor, the Town Manager or Town’s Finance Director is hereby authorized to execute and deliver to the Underwriter the Final Official Statement.

The Mayor, the Town Manager or Town’s Finance Director is further authorized to use and distribute, or authorize the use and distribution of, the Final Official Statement and supplements thereto concerning the original issuance of the Bonds as may in the Mayor’s, the Town Manager’s or Town’s Finance Director’s judgment be necessary or appropriate.

The Mayor, Town Clerk, Town Clerk or Town’s Finance Director is also authorized to sign and deliver, on the Town’s behalf and in their official capacities, such certificates concerning the accuracy of the Final Official Statement and any amendment thereto as may, in their judgment, be necessary or appropriate.

**Section 12. Continuing Disclosure Undertaking.** The form of continuing disclosure certificate, in substantially the form submitted to and on file with the Town Clerk, is hereby approved. The Town’s Finance Director is hereby authorized and directed to prepare, execute and deliver such certificate on behalf of the Town.

**Section 13. Bond Insurance.** The Town’s Finance Director is hereby authorized and directed to purchase municipal bond insurance, surety bonds or other credit enhancement as the Town’s Finance Director may deem appropriate and beneficial, to pay or cause to be paid all premiums attendant thereto and to enter into any obligations or agreements on behalf of the Town to repay amounts paid thereon by the providers thereof.

**Section 14. Rebate Fund; Rebate Payments.** In the event the Town is required to rebate its earnings and profits from the investment of the Bonds, the Town Council hereby authorizes the Town’s Finance Director or any agent thereof to create a separate fund to be known as the Rebate Fund. Into such fund shall be deposited any and all moneys deemed necessary to remain in compliance with the provisions of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”), or any regulations promulgated thereunder. Moneys in such fund shall be segregated or (if authorized in writing by an opinion of Bond Counsel, as defined below) commingled with other moneys of the Town. The Town’s Finance Director is ordered and directed to employ or engage one or more arbitrage rebate consultants to calculate annually any necessary rebate amount to be paid to the United States of America. The Town’s
Finance Director is authorized and directed to pay any amounts necessary to the United States, as arbitrage rebate(s).

Section 15. Resolution a Contract. This resolution shall constitute a contract between the Town and the registered owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the Bonds then outstanding.

Section 16. Severability. If any section, paragraph, subdivision, sentence, clause or phrase of this resolution is for any reason held to be illegal, invalid or unenforceable, such decision will not affect the validity of the remaining portions of this resolution. The hereby Town Council declare that the Town would have adopted this resolution and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this resolution may be held illegal, invalid or unenforceable.

Section 17. Ratification of Actions. All actions of the officers and agents of the Town which conform to the purposes and intent of this resolution and which further the issuance and sale of the Bonds as contemplated by this resolution whether heretofore or hereafter taken shall be and are hereby ratified, confirmed and approved. Any change made in the Notice Inviting Bids for the Purchase of Bonds which do not conform to the prior order of this Town Council are hereby ratified. The proper officers and agents of the Town are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the Town as may be necessary to carry out the terms and intent of this resolution.

Section 18. Qualified Tax-Exempt Obligations. The Town reasonably anticipates issuing less than $10,000,000 in principal amount of tax-exempt obligations in this calendar year and thus hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. The Mayor or the Finance Director will certify in the closing certificates that it is reasonably anticipated that the aggregate amount of qualified tax-exempt obligations (as defined in Section 265(b)(3)(B) of the Code) which will be issued for or by the Town in the current calendar year will not exceed $10,000,000.

Section 19. Tax Covenants. In consideration of the purchase and acceptance of the Bonds by the owners thereof and, as authorized by Arizona Revised Statutes, Title 35, Chapter 3, Article 7, and in consideration of retaining the exclusion of interest income on the Bonds from gross income for federal income tax purposes, the Town covenants with the owners from time to time of the Bonds to neither take nor fail to take any action which action or failure to act is within its power and authority and would result in interest on the Bonds become subject to federal income taxes.

The Town agrees that it will comply with such requirements as in the opinion of Gust Rosenfeld P.L.C. (“Bond Counsel”) are necessary to prevent interest on the Bonds becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications
and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by Bond Counsel; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Bonds; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys relating to the Bonds; and limiting the use of the proceeds of the Bonds and property financed thereby.

The Town hereby authorizes the Town’s Finance Director, or his or her designee, to represent and act for the Town in all matters pertaining to the Town’s tax-exempt bonds, as may be necessary to comply, on a continuing basis, with the Internal Revenue Service, Securities Exchange Commission and other governmental entities’ requests, reporting requirements, examinations, continuing disclosure requirements and post issuance compliance policies and matters.
