Transportation Services for Cancer Patients

American Cancer Society Road to Recovery Program - Every day thousands of cancer patients need a ride to treatment, but some may not have a way to get there. This program provides transportation to and from treatment for people who have cancer who do not have a ride or are unable to drive themselves. Volunteer drivers donate their time and the use of their cars so that patients can receive the life-saving treatments they need. For information call 1-800-227-2345. Or call the **Mayo Clinic** to find out more about this free transportation program as well as other services. For information call Kathy Leavitt 480-301-5990
