MAKE A DIFFERENCE DAY ... HELPING RESIDENTS IN NEED

Do you have a neighbor who could you use some help with a few small home projects? Or a deep cleaning of a kitchen, or help with organizing a garage and removing clutter? How about having a simple wheelchair ramp made for your home or a neighbor's home?

These and other projects, including some landscaping, painting, or minor repairs, is what Fountain Hills 10th Annual Make a Difference Day is all about! This year it will be held on Saturday, October 27, from 8 a.m. – noon, in the homes of several residents throughout our town.

These opportunities are there to assist residents who may have health issues and limitations, have no relatives nearby, are unable to cover the costs for needed landscaping, cleaning or minor home repairs. Often these residents are without transportation and basic resources, leaving them vulnerable to hardships.

During the first nine years, Make a Difference Day served over 450 residents with the help of over 3,000 volunteers. We are beginning to accepting applications for October 27th now. Please sign up by contacting Heather Ware, Volunteer Coordinator, 480-816-5108. Participants will be mailed a Project Signup Sheet and Private Property Permission form. Residents are not guaranteed to have a spot in the line-up of work projects, but will be notified.

REIMAGINING FOUNTAIN HILLS THE GENERAL PLAN UPDATE

The General Plan, sometimes referred to as the Comprehensive Plan or the Master Plan, is the foundational policy document for local governments. It establishes a framework to guide public and private decisions about future growth, preservation, and change within the town over the next 20 to 30 years. While the General Plan has traditionally focused primarily on physical development, the Fountain Hills General Plan also discusses a wide range of economic, environmental, and social topics that affect the sustainability of the town.

BACKGROUND

All states either allow or require local governments to prepare General Plans. However, there is no consensus about what, precisely, constitutes a General Plan.

While the content and format of General Plans vary considerably from place to place, there are still a number of common characteristics. First, General Plans address an extensive range of topics of community-wide concern. Second, they are general in terms of geographic extent, meaning that a General Plan covers the full area of the town. Third, they present multiple goals and policies to be implemented over a long time period (long-range planning).

While these three core characteristics have defined General Plans for decades, there is also a set of basic best practices for contemporary plans. First, planners and public officials develop a General Plan with input from all segments of the community. Second, General Plans are readily available to and easily understood by any interested community members. Third, the General Plan is formally adopted as official policy by the Town Council and then by a vote of the town's citizens.

REASONS TO PREPARE A GENERAL PLAN

The General Plan is the legal foundation that legitimizes local development regulations. In fact, Arizona requires that our zoning and subdivision ordinances be in conformance with our General Plan. The General Plan is the primary guide not only for updates to development regulations but also for the creation of local capital improvements plans.

An up-to-date General Plan provides a measure of certainty to landowners and developers and reduces the likelihood of arbitrary decisions by local officials. Because a General Plan shows how the town hopes to change over time, it gives applicants a sense of the types of development projects that are likely to be approved in a specific location and helps owners and developers avoid spending excessive time and money on incompatible proposals. The data gathering and analysis that informs a General Plan also improves the factual basis for land-use decisions.

PLAN CONTENT AND FORMAT

Our General Plan is comprised of a series of thematic elements (i.e., chapters or major sections). Topics for plan elements include land use, transportation, housing, economic development, the environment, natural hazards, public health, intergovernmental cooperation, and community facilities.

The General Plan describes the legal authority or mandate for the plan; summarizes the town's long-term vision for growth, preservation, or change; provides data and analysis that establishes a context for the broad goals and objectives of the plan; and sets the stage for policy considerations detailed in subsequent plan sections.

Goals are general statements about desirable future conditions. Objectives are statements of measurable outcomes in furtherance of a certain goal. Policies are statements of intent with enough clarity to guide decision making. Actions are directives about programs, regulations, operational procedures, or public investments intended to guide the implementation of specific policies.

PLAN IMPLEMENTATION

While a broad base of community support is often the most important factor that influences if and when plan recommendations will be enacted, providing a detailed implementation program in the plan itself can be an effective tool to organize our efforts. Ideally, the program will also identify a responsible party and include a cost estimate and a time frame for each action.

2020 GENERAL PLAN UPDATE

The Fountain Hills General Plan is due to be updated. Arizona law requires that General Plans be updated at least once every ten years. Our General Plan's last full update was done in 2010. The Fountain Hills Development Services Department and the Planning & Zoning Commission will be reviewing all aspects of the existing plan, holding public meetings and collecting input from interested parties throughout the next year in anticipation of presenting a fully updated General Plan for the Town Council's consideration and the town citizens' approval at the November 2020 election.

The current General Plan may be accessed on the town's web site at: www.fh.az.gov/DocumentCenter/View/573

PARK OVER SEEDING

Over seeding of the Avenue of the Fountains Plaza and Fountain Park will begin during the month of September. Irrigation is scheduled to be shut down starting beginning September 14, 2018. Scalping (mowing grass to .5 inch) is scheduled to begin September 24.

The actual over seeding of the grass will begin October 1 – November 2, and irrigation will be from 6 a.m. - 8 p.m. Our Community Services Staff appreciates your patience as we care for our parks!

RENTAL PROPERTIES ARE SUBJECT TO SALES TAX

In order to provide Town programs, services, and infrastructure that contribute to the quality of life for Fountain Hills residents, the Town has a variety of revenue sources to pay for its operations and capital improvements. Since the Town does not have a primary property tax, one of the most important sources of local revenue is sales tax.

Residential rental properties are one area for which the Town is not receiving all of the potential sales tax. The Town has discovered that a number of homes and condos in our community are rented out as short term or long term rentals without the property owners paying appropriate sales tax. As a result, it is estimated that the Town is losing thousands of dollars in sales tax revenue annually from property owners not properly paying the sales tax on the rentals. This sales tax revenue is important because the rental of residential properties is a business enterprise. In addition, the occupants of rental properties still utilize town facilities, town services, police and fire protection, and drive town streets. Essentially, other Fountain Hills residents are paying the cost of these services for others.

By Law, Owners Must Register Rental Properties – Under Arizona Revised Statutes § 33-1902, an owner of residential rental property in Arizona must register certain information relating to the property and its ownership with the Maricopa County Assessor's Office regardless of who rents the property. In addition, a property owner who does not reside in Arizona must designate a statutory agent who lives in Arizona to accept legal service on his/her behalf. Regardless of where organized, a corporation, limited liability company, partnership, limited partnership, trust, or real estate trust, must register the name of the ownership entity as well as a principal within the business entity. The registration may be filed electronically, using an online registration form, by mail, or in person. There is a \$10.00 (U.S.D.) fee per registration. A separate form must be completed for each parcel or roll number registered. The Maricopa County Assessor's Office classifies property based upon its use. If a property owner discovers that a property has been misclassified, the owner can notify the Assessor by calling 602-506-3406 to receive instructions on how to have the misclassification corrected.

All Rentals Are Subject to Taxation – Income from rental of real property for 30 days or longer is subject to the 1.6% Fountain Hills sales tax. Income from rental of property for periods under 30 days is subject to the Town's tax of 2.6% and the transient lodging tax rate of 4.0% for Fountain Hills in addition to 7.27% County tax for a total of 13.87%. Failure to register residential rental property is a violation of Town Code Sec. 7-11-1 and may result in civil penalties. The tax applies to all persons who lease or rent one or more properties (apartment units, houses, condos, etc.) within Fountain Hills. Rental taxes are remitted to the Arizona Department of Revenue on form TPT-2 or TPT-EZ and reported using FH as the region code and the appropriate business code. Forms are downloadable from the Department of Revenue website and you can also apply for the tax license online. Failure to comply with the provisions of Town Code Sec. 7-11-1 may result in civil penalties in accordance with A.R.S. § 33-1902. The amount of \$150 per day for each day of violation may be imposed after the date of the most recent notice of assessed valuation and the notice prescribed by A.R.S. § 42-15103.

Over the next five years, the Town of Fountain Hills is facing a budget shortfall. Property owners remitting the sales tax on all residential rentals would make a difference in helping to close this budget gap. The Town of Fountain Hills will be initiating an audit of suspected properties over the next 18 months in an attempt to recover rental sales tax, interest, and civil penalties. If you have one or more residential properties that are rented out during the year or suspect that a nearby property is a rental, please contact the Town of Fountain Hills at 480-397-2482 or rentaltax@fh.az.gov. The Town's goal is for everyone to pay their fair share of taxes.

VOLUNTEERS NEEDED FOR TOWN OF FOUNTAIN HILLS' SAVE OUR SCULPTURES (SOS) PROGRAM

The SOS program was designed to help preserve the life of our many art pieces here in town. At a staggering 150 pieces of art in Fountain Hills, we are home to one of the largest public art collections in the state of Arizona. The majority of these pieces are outdoors and in direct contact with sun, irrigation, dust, and dirt. Cleaning these sculptures on a consistent basis is necessary to make sure they retain their beauty and longevity.

The SOS program consists of a group of volunteers that meet once a month to assist in the cleaning of art pieces at Fountain Park, Avenue of the Fountains, and Centennial Circle. The SOS program consists of 4 groups and each group meets on their assigned Saturday of the month. For example, group 1 meets the first Saturday of the month; group 2 meets the second Saturday of the month, etc. The SOS program will begin this Saturday, November 3, 2018.

For more information, contact Don Clark at 480-816-5130 or dsclark@fh.az.gov.

MEMORIAL BENCH REPLACEMENT AT FOUNTAIN PARK

The Memorial Bench Replacement Program is underway for the benches at Fountain Park and over the next few months the benches will be replaced with new eco-slatted benches. These benches were chosen for their durability and have the ability to have individual slats replaced if damage occurs.

On July 1, 2018 the Town will open the program to new donors who wish to dedicate a bench to a loved one. The cost to dedicate a bench is \$1,800 and a new dedication plaque is \$200. The lifespan of a bench is estimated at 10 years and the Town does not guarantee the

longevity of the benches. When the lifespan of the bench has been reached and requires replacement, the donor will have the opportunity to fund a new bench at the current replacement cost.

The Town is developing a webpage to commemorate current and previous donors and their dedication. Original donors have been contacted and have until June 28, 2018 to rededicate the bench.

For more information please contact Community Services Department.

OCTOBER IS DOMESTIC VIOLENCE AWARENESS MONTH

In Partnership with the Maricopa Association of Governments (MAG) the Town of Fountain Hills is once again supporting the ongoing county wide effort to enlighten, educate and end domestic violence. Beginning on Monday, October 1, 2018 and continuing through entire month of October, the dome of the Town Hall municipal building will be illuminated with a purple glow in support of the Regional Plan to end domestic violence.

The Town supports MAG's Regional Domestic Violence initiative which develops and implements strategies to reduce the incidence of and trauma associated with domestic violence, including the Regional Plan to End Domestic Violence. Areas of focus include working with survivors, law enforcement, prosecutors, and victim advocates to enhance the way the region arrests and prosecutes domestic violence offenders.

In addition to the lighting, Mayor Kavanagh will read a proclamation at the October 2, 2018 Town Council meeting declaring October Domestic Violence Awareness Month in the Town of Fountain Hills. All citizens are encouraged to attend the meeting in support of this initiative.

For more information, please call 480-816-5100.

DONATIONS

- Donations are graciously accepted to help subsidize and maintain the cost of meals.
- Donations may be tax deductible; donor should seek advice from their accountant.

FOUNTAIN HILLS PROHIBITS SMOKING AT PARKS, TRAILS, AND OPENS SPACE

At the June 19, 2018, Town Council meeting, the Fountain Hills Town Council adopted an ordinance prohibiting smoking in all town parks, trailheads and town open spaces. Fountain Hills joins a growing number of Arizona communities that have banned smoking due to health, fire safety, and environmental reasons.

The ordinance comes from the direction of the Mayor and Council who had received numerous complaints from residents about smoking and litter caused from cigarette butts disposed of improperly at parks. The litter from cigarettes is sometimes consumed by dogs and wild animals which causes harm to the animals. Cigarette litter is also a major complaint from visitors and residents who utilize the town's parks.

The ordinance takes effect immediately and bans the use of tobacco, electronic cigarettes, or vapor pens within parks, trails, and open space under the jurisdiction of the town. The ordinance also authorizes the Community Services Director to identify specific designated smoking areas in the Town parks, trailhead and open spaces. Community Services Director Rachael Goodwin will be working in the weeks ahead in identifying locations to designate as smoking areas.

In the coming weeks, the town will be installing new signage in the parks, trailhead and open space areas noting the no-smoking ordinance.

To view the ordinance, please visit: www.fh.az.gov/no-smoking

TOWN COUNCIL ADOPTS “NUISANCE PARTY” ORDINANCE

On June 19, 2018, the Fountain Hills Town Council adopted Ordinance 18-09 which prohibits nuisance parties.

Over the past several months, residents have been disturbed by parties and other events that have taken place in neighboring single family homes. The homes are typically rented out on a short-term basis which often includes large numbers of people. Due to the size and scale of the parties, the noise from the parties have prevented nearby neighbors from the quiet enjoyment of their own properties.

Based on the negative impact that nuisance parties have had on neighborhoods in Fountain Hills, the town staff modeled its ordinance after those found in Flagstaff, Tempe, and Tucson which have been successful in addressing nuisance party situations.

The highlights of Ordinance 18-09 are as follows:

- A nuisance party is defined as a gathering of one or more persons on any private property that involves disturbances such as excessive noise or traffic, obstruction of public streets by crowds or vehicles, drinking in public, the service of alcohol to minors or consumption of alcohol by minors, fighting, disturbing the peace, and littering.

- Both the owner and non-owner responsible person(s) are held responsible for violations of the ordinance.
- Civil penalties range from a warning to an owner for the first violation up to \$1,000 for the third nuisance party violation.

Ordinance 18-09 applies to all private properties in Fountain Hills and will be enforced by the Maricopa County Sheriff's Office and the Town's Code Enforcement. While the ordinance is intended to address nuisance party issues impacting neighborhoods, it is possible that residents who hold the occasional private gathering, party, barbecue, or other functions may receive a warning from a Sheriff's deputy after responding to a complaint. However, it is unlikely that residents who host the occasional party will be impacted by the new ordinance.

The ordinance was adopted on an emergency basis and takes effect immediately. To view the ordinance, please visit: www.fh.az.gov/party-ordinance

TURKEY TROT

Gobble Gobble! Fountain Hills is celebrating 28 years of trotting. Fountain Hills Community Services Department invites residents and visitors to take part in the 28th Annual Turkey Trot. Join us on Thanksgiving morning for a great Fountain Hills tradition and get some exercise before you hit the mashed potatoes and gravy!

Pre-registration will be open through November 15. Participants can register in person at Fountain Hills Town Hall or Community Center or online at www.FHTurkeyTrot.com. All registration forms and race fees will be due at sign up. Checks, cash, and Visa or MasterCard are accepted. The Town will be recognizing the top three finishers in the 5K in each age division for both men and women. Top prize will be the coveted Golden Turkey medal. Age divisions will be broken down to 10-year increments.

Early packet pick up will be offered for pre-registered participants on Wednesday, November 21 from 4:00 - 7:00 p.m. at the Community Center. **Important: No Bib. No Time.** Participants must remember to bring their bib or they will not be timed on race day. All pre-registered participants will receive a commemorative Turkey Trot T-shirt. Can't make it for early pick-up? Packets can be picked up on race day starting at 5:30 a.m. in the Community Center. Are you a last minute turkey? No problem, you can still register at packet pick up or on site the morning of the race. Plan to arrive early so staff can be sure to get you signed up and ready to trot. **All day-of-event registrations will receive T-shirts on a first-come, first-serve basis.** Participants that register on-site are not guaranteed a T-shirt.

For the safety of all participants, please leave your dogs at home. Races start promptly at 7:15 a.m. **Special Note: The start line for all distances will be on Avenue of the Fountain Hills.**

ANIMAL LICENSING TRANSFERRED TO MARICOPA COUNTY

On July 1, 2018, Maricopa County took over new licenses, renewals and cancellations of all dog licenses. All fees will remain the same.

Once the transfer is complete, Maricopa County will send all current dog license holders a letter and a new County tag (at no charge). The County tag will replace the Fountain Hills tag and have the same expiration date.

If the current Fountain Hills tag expires during the month of June 2018, you will not receive a renewal form from the Town and the renewal payment will not be collected. After the County sends a letter along with the new County tag, the County will start sending renewal letters and begin taking payments. Please do not make payment to the County until you receive their letter. There will be no late fees during this transition period.

The Town of Fountain Hills will have Maricopa County licensing information on the Town's website (www.fh.az.gov/pets) stating how to apply for a new license or submit payment for a renewal with the County. The County takes payments online, by mail, or in person at their East and West Valley locations.

WHO DO I CALL?

The Code Enforcement Division staff serves to educate the public as well as to investigate and enforce violations of the Town Code, Zoning Ordinance and Subdivision Ordinance. The majority of code enforcement activity is complaint driven, however staff is proactive when necessary, especially on any potential threats to public safety.

Violations commonly addressed include:

- Fire hazards
- Storage of trailers, boats and RVs
- Illegal or unpermitted signs
- Green, stagnant swimming pools
- Outdoor storage
- Improper vehicle parking
- Landscaping issues

Prior to contacting Code Enforcement regarding a concern, residents are encouraged to consider the three C's:

- Communicate directly with the neighbor
- Contact the HOA to discuss the concerns
- Confirm the specific concern is a Town regulation violation
