Situation Debrief:

Someone is planning to steal the Fountain in Fountain Park! We have a list of 10 suspects that you will need to eliminate as you solve the case. Find them, sort through the clues, and discover who is really planning the heist so we can save the Fountain!

Details:

The Detectives on the case were given a message from the perpetrator and we will share this first clue and the suspect list with you on August 24th at 12:00PM. You will have one week to solve the case! Questions? Email Kade Nelson at knelson@fh.az.gov

Virtual Trivia Night Part II.

Win prizes, test your smarts, and connect with the community. We will be hosting a live, pub-style trivia night on August 26, 2020 at 7:00pm.

Each round, questions will start simple and increase in difficulty. This allows everyone from kids to adults to play! There will be 8 categories with 10 questions each. (Categories will be posted 1 week in advance)

You get more points the faster you answer, so think quickly! The top 3 teams will receive gift cards! Visit www.fh.az.gov for more information.
